HUNTINGTON The holiday spirit came with fits of laughter Monday evening at the Keith-Albee Performing Arts Center.

"Elf-The Musical," based on the movie of the same name, made its way to Huntington's premier stage as a part of the Marshall Artists Series.

The stage performance, just like the movie, follows Buddy, a young orphan who mistakenly crawls into Santa's bag of gifts and is transported to the North Pole. Buddy is raised unaware that he is actually a human, until his enormous size and poor toy-making abilities cause him to face the truth.

With Santa's permission, Buddy embarks on a journey to New York City to find his birth father and discover his true identity.
